## Message from: **Mr. Newton, Principal**

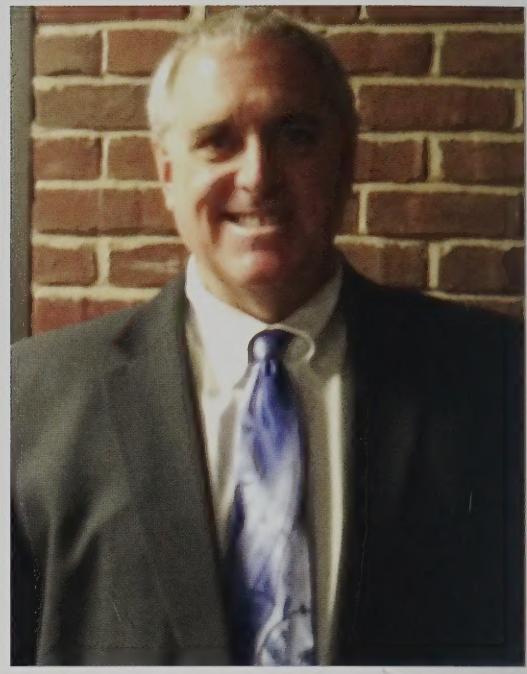

To the Class of 2016:

If you were able to rewind your memory back to late August of 2012, can you picture yourself? Think about it for a moment. Ask yourself, "How have I changed?". Is how you are today how you have predicted you would be, now, as a senior? More importantly, are you more ready today than you were as a thirteen year old back in 2012 to take on all of the challenges that the world has to offer? I think that you are! You might wear different styles of clothing now than you did in 2012. You might listen to different music. You might have a different group of friends. But the one thing that I am confident of is that you are leaving Fermi High School as mature, confident adults ready to take on the world and succeed. Four years ago, I'm quite sure that graduation seemed an eternity away (remember I told you it would be something like 1,386 days from Freshman Orientation until graduation). You probably weren't sure how the next four years of your life would unfold. Yet here you are today, standing at the threshold of completing your education at Enrico Fermi High School.

I sincerely hope that the past four years were full of wonderful memories, happy moments, and that you made the most of your education while you were with us. As you prepare to graduate and proceed with the next chapter of your life, I am sure that you are much better prepared to face the challenges that lie ahead. Being prepared to move forward does not mean that you have all the answers, nor should you. I say this because there are many chapters of your life that you have left to write. Whether you go on to further your education or choose to begin a career, I am sure that you have the skills needed to be successful. When you begin to write your new life chapters, if you experience the same fears and trepidations that you felt as a ninth grader, I am confident that you will not only cope with these fears but also overcome them and reach your fullest potential.

This is the final time that I will be reminding graduates that you will remain a part of the "Fermi Family". You always will be and no one can take that away from you! As the doors to our school close, I can confidently tell you that there has been no finer senior class to pass through these halls. You make me very proud to call the Class of 2016, the final graduating class from Enrico Fermi High School. You will always hold a special place in my heart. I wish each and every one of you the very best in the years to come.

Sincerely,  
Paul K. Newton  
Principal

## Message from: **Mrs. Cressotti, Assistant Principal**

2015-2016

It has been a great joy to get to know all of you over the past four years. My heart is full when I think of each of you and know how much you have grown over the past four years. We have all grown over these years - you from young freshman into the young adults that you have become, and I in my role as Assistant Principal at Fermi. We entered these roles together and you all have been a big part in who I am today. I hope that I have played a part in the wonderful young adults that you now are. As you leave Fermi High School, take time to reflect on your role as a learner, a contributor to Fermi's culture and the legacy that you leave for the next graduating class in Enfield - for you are the last graduating class of Enrico Fermi High School.

Four years ago, Mr. Newton spoke to you about the legacy you could create over the four years at Fermi. Your own personal legacy began that day at Freshman Orientation, and now you will leave your legacy behind to the students who follow you in graduating - your legacy as Class of 2016. You have learned lessons of all kinds during these four years: you have met all of the graduation requirements, met amazing people, contributed to your community making FOR a reality for Enfield, began our Unified Sports team, donated more to the Enfield Food Shelf than any other in town, donated blood to those in need, and taken and dominated the SBAC!!!!!!! Congratulations to you for all you have done for our school and our community.

I am a fortunate and better person for having known you, and having been the students who trained me to be the best assistant principal I can be. I thank you for all of the lessons (and the gray hairs) you have taught me. Know that you are loved, know that you have been a part of one thing very significant, and know that you can continue to make a difference in the world. You will be missed.

You never leave a place you love.  
You go away, taking a part of it along,  
And leaving a part of you remaining.

My best to you in all your successes and happiness in life,  
Marilynn Cressotti

**Mrs. Cox-Blackwell,  
Assistant Principal**

# In Loving Memory of Jacob Carlander

At twelve years old Jacob was diagnosed with Liver Cancer and fought a long and hard battle. Throughout his valiant fight he was caring, generous, and put others before himself. Jacob has left his mark on everyone, as he was the nicest kid you could ever meet. On August 14th, 2015, Jacob sadly lost his fight. As tragic as this is, it was a pleasure to have known Jacob while he was here with us and we could not be more grateful that he is not suffering anymore.

When we originally joined the cross country team, we entered a family. We saw old members leave and new members join. As our bonds grew stronger, our performances followed. We competed as one, and we leave as one. It has been an honor to have such wonderful experiences with my teammates. These bonds will carry throughout our future and we give our best wishes to our underclassmen for them to flourish when we leave.

I think that we can speak for everyone when saying that this last season as Falcons has been a season to remember. Through our ups and downs, we always found a way back to each other. The chemistry we shared off the field was evident in the way we played on the field. From the bus rides with music blasting, to the team dinners and the halloween practice, we have created life-long memories. We should all be so proud of ourselves to have created such an amazing legacy as Falcons. We wish you good luck in your futures, and we're always just a phone call away.

Love Your Captains, Emma K, Emma Z, and Olivia

Swimming isn't just a sport it's more than that, I have been honored to have been your Captain. Also being the last Captain of Fermi Enfield Somers Girls Swimming. This team had biggest heart and made this team more than a sport. You have made this team as a family and reminded each other that it's all about having fun and making memorable experiences that one will not forget. Yes we have lost some meets but I know those taught us a life lessons about failing at times but it made you ladies strong. Always cheer your teammates on and keep that smile and remember ladies "just keep swimming" and make ES Swimming as the best highschool team and always remember FES in your hearts. -Concepcion Mendoza

"A swimmer is not only part of a team but a family. A swimmer is not just an athlete but a superhero. A swimmer is the one who never gives up, dies within a hundredth of a second only to push themselves harder with each stroke, each kick, and each practice a swimmer gains more than strength but heart." I have

thoroughly enjoyed my four years as part of this team. I will always remember all of the fun, laughter and excitement that came with every single meet, especially our meets with Hartford, our senior night meet against Old Lyme this year and our exciting victory against Manchester junior year when we called Janet to tell her the news as soon as the meet was over. Even though our numbers were low, I always saw determination and dedication in each and every one of you, even when injuries got in your way. Through our time together all of you have grown so much stronger, both mentally and physically. Despite our small numbers we have never let this ruin our fun times of bonding. Although we have proven that we are not the luckiest in the department of t-shirt making, we never let a little rain or our failure to read craft directions ruin our fun. Thank you to all of you for the great year and the memorable experiences. I will miss you next year, but I encourage all of you to keep swimming and make new and exciting memories as the Enfield-Somers swim team next year. -Sarah O'Neil

We would like to thank all the girls for giving us an amazing season. It was an incredible experience being captains to a team that gave us times we will never forget. Volleyball was something everyone looked to everyday, knowing we'd share many laughs and memories while doing something we loved. We will miss each and every one of you and wish you the best of luck in your futures. Thank you for letting volleyball be such an incredible part of our high school experiences and lives.

"For me personally, this basketball team wasn't just a team, but a family. From obviously singing on the bus, to deadly 8 am practices, we all grew so close and this became my favorite aspect. The coaches were so inspirational and determined, and taught us discipline and teamwork which led us to become the family we are now. I couldn't possibly have asked for a better group of friends to spend the season with and next season is only going to come too slow!" ~ Ellen Lambert

"These past four years have given me a family that I wouldn't have known otherwise. I am going to miss the crazy bus rides, the late night team dinners, and the team sleepovers that followed. Even when the odds were stacked against us, we stuck through each and every game and closed the gap this season. I cannot be more proud of this team for the accomplishments we made and for believing in each other. No matter where life takes us, I know that each and everyone of us is going to be successful individually because through basketball we have been taught to never give up." ~Tori Weatherwax

"For four years, this team has only grown; as a family and as individuals. Whether we were giving our all in a game or working hard in practice, we always had heart. The challenges we faced as a team taught us perseverance and determination. Everyone of us has worked exceptionally hard this season, despite our difficult opponents. We all stepped it up and became contenders, I couldn't have asked for anything more. I'm going to miss this family, but I know that next season they'll continue to represent our values to the fullest extent. Yey."

~Kelli Fletcher

Captains

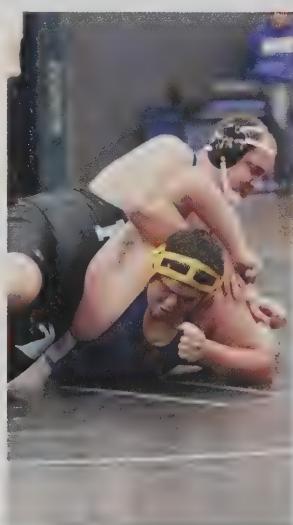

From left to right: Valerie Eckenroth, Coach Beiler, Sean Keeler, Giuliano Duarte, Sean Messina, John Paul Eckel, -, Kayla Simmons, Jenna Cormier, Aidan Stone, Zach Purdue, Brian Ruel, Brett Castle, Keegan Gomeau, Jake Richters, Chase LaRusso

This year the Falcons enjoyed another fine season. Although our team was smaller than our usual number of participants which affected our overall team win/loss record, we had an outstanding season! Led by seniors Jake Richters, Chase LaRusso, and Keegan Gomeau, our team ended with a record of 5-10, 2-3 in the CCC East.

FHS is proud of Chase and Jake for placing in the Class M championships. What a great accomplishment!! Also we honored Sean Messina, Brett Castle, Chase Larusso, and Jake Richters for being named ALL CCC East! The Varsity experience gained by our underclassmen, as well as joining forces with the EHS grapplers, we will be a force to reckon with in the years to come!

-Coach Beiler

# The Editors

It's over! The last Fermi Yearbook has been completed. As Walt Disney said, "You can design and create, and build the most wonderful [thing] in the world. But it takes people to make the dream a reality;" this is certainly true for this yearbook and I am incredibly thankful to the whole staff. Big thanks to my co-editor, Sarah, who tirelessly slaved to get this yearbook done right. Though there were many ups and downs throughout this whole thing, we worked hard together, and I appreciate any and everyone who helped this come to fruition. I hope you enjoy this yearbook as I have enjoyed making it, and that we have made the last Fermi yearbook memorable. Congratulations to all the graduates and good luck to everyone moving on to Enfield High next year.

-Samantha Lindquist, co-editor

This has been a great year working on yearbook. We had a dedicated staff who were always asking for extra jobs to help out when their assigned pages were done. Thank you to all of the staff who spent many hours working on pages. Special thanks goes out to Caitlin who was always willing to do anything that I asked her to do, even when it involved uploading thousands of pictures onto the yearbook website. I want to thank my co-editor, Samantha for always staying on top of all of the portions of the senior section. This staff has done a great job on the yearbook and all of you have gone above and beyond in your duties by helping on extra pages and reformatting many of them. It has been an honor to be a part of the final Enrico Fermi High yearbook staff. I hope that you all enjoy this collection of your high school memories.

-Sarah O'Neil, co-editor

### Hannah

Brothers and Sisters are a gift of nature. Having you for a sister proves it. We love you. Aaron and Mathew

# Emma Leigh Kertanis

We wish you much love and happiness as you end one chapter and begin another. You are a beautiful individual who knows the importance of honesty and holds true to your values and morals. We love you and we are so proud of you! Mom, Dad, and Tim

## Lauren Kienzler

Lauren,  
Always believe in  
yourself as much as  
we believe in you!  
We are so proud of  
you and we love  
you very much!  
Mom & Dad

## CONGRATULATIONS EMMA!!

We are so proud of the young woman you have become and all your accomplishments. You deserve all of the success you have achieved and everything the future will bring. We look forward to your next journey.

We are always here for you when you need us.

Love, Mom, Dad & Garrett

Congratulations Fermi Class of 2016!

## Kimberly Testoni

Everything we have been through has brought us to where we are now and we are in a good place! May God bless you with each and every day.  
With Love,  
Mom

## Olivia P. Keane

May these cherished high school memories be engraved in your heart forever. What an amazing journey you have taken.

Now, you fly, and with much pride, we become spectators in this next exciting chapter. We could not be more proud of you!

Love, Mom, Dad and Brent  
Your Biggest Fans!

## Congratulations Adriel

We are so proud of you. This is the beginning of a beautiful, successful future. We know what you are capable of achieving. Set your goals high, and don't stop until you get there! With lots of love from, Mami, Juan, Abuela and Axel.

## Lisa Lampro

Lisa,

We are so proud of you!  
Keep up the good work and  
have fun at the new Enfield  
High School.

Love,  
Mom and Dad

## Madeline Laramee

Maddie,  
We are so very proud of  
you and the young lady  
you've become. We can't  
wait to see where your  
talents take you!!  
Love, Mom, Dad, Aaron  
and Bella

## Kimberly Testoni

Congratulations on all of your  
achievements,  
I'm very proud of you ,and hope for  
nothing but the best for you now and  
in the future. love you ,Dad!!!

## Brianne Mikullitz

Brianne,  
We are so proud of the  
woman you have become  
and the friends you have  
chosen to have by your  
side.

ILY

A dynamic action shot from a baseball game. A catcher in a light blue uniform and black gear is crouched low, his mitt extended towards the ground. A batter in a dark uniform is in mid-swing, with dirt flying from the base. An umpire in a dark uniform stands behind the batter, watching closely. The background shows a chain-link fence and a grassy field.

# From the Class of 2016:

As the final graduating class of Enrico Fermi High School we will always remember times spent together and memories made throughout the past four years. We have laughed, cried and smiled together throughout all of our high school experiences. The time we have shared has and will always have an immense impact on our lives as we go on and many of the friendships that we have built will last a lifetime. We have grown together, transitioning from young freshmen into responsible adults. As we prepare to graduate and move out into the "real world" we should always take time to cherish and remember all of the good memories we have made while also looking ahead to the new experiences we will make in college, the military or the work force. As you look back on your years at Enrico Fermi High School, whether next year or ten years from now, we hope that this yearbook will provide you with a way to remember the school, the teachers and all of the amazing experiences that we have had together. Seniors, it is now our time to say goodbye to Enrico Fermi High School, but, as we go forward, take care to always remember and cherish it in your hearts. We are the senior class of 2016 and, no matter where we go in life, each and every one of us will remain a Fermi falcon.
